Oklahoma Turnpike Authority
PIKEPASS Customer Service Center - Special Vehicle List

DISCLAIMER

Be advised that the information provided herein is based on the experience of the Oklahoma Turnpike Authority (OTA) using TransCore provided Allegro transponders on OTA toll roads with TransCore supplied readers. The OTA in no way guarantees or warrants this information for use at other locations, with other equipment and/or on other turnpike systems. Certification of the use of this information on other systems is the sole responsibility of the using authority. The OTA does not endorse nor does it assume any liability for your use of the provided information on your system.

The vehicles listed below are equipped with special windshields that contain metal in the glass that prevents the Pikepass from being read properly. If you are unsure about whether your vehicle has one of these windshields, consult your Owners Manual or contact the dealer where you purchased your car. This vehicle list may change. If you have any questions regarding your vehicle, please call the Pikepass Customer Service Center at: **(800) 745-3727**.

An LPT (License Plate Tag) is required on the following vehicles due to a windshield which prevents use of a standard PIKEPASS.

<u>MAKE</u>	<u>MODEL</u>	<u>YEAR</u>
BENTLEY	CONTINENTAL GT	2004 – 2009
BENTLEY	CONTINENTAL FLYING SPUR	2006 - 2009
